Notes: Approval of degree plan does not guarantee access to courses. Student must satisfy prerequisites, and certain courses (writing intensive classes included) are available to majors only. It is the responsibility of the student to ascertain whether there are any restrictions or prerequisites for courses in their degree plan.

PHLT courses **in bold print** are either prerequisites for more advanced courses or must be taken in sequence. Students must consult with an academic advisor each semester prior to registration to make certain they are taking the courses in the correct order.

*Core courses which are listed in these specific categories are BSPH preferred and recommended. Other courses that meet the Texas Core Curriculum requirement can be seen at core.tamu.edu

**Pre-Med Requirements – student must meet with OPSA and BSPH advisors to determine when to enroll in those courses (opsa.tamu.edu).
