

LEDRIC D. SHERMAN

Curriculum Vitae-May 2022

Texas A&M University
College of Education and Human Development
Department of Health and Kinesiology
4243 TAMU
College Station, Texas 77845-4243

Email: LSHERMAN@TAMU.EDU
Office: Gilchrist Bldg. 257
Cell phone: (281) 701-6866
Fax (979) 847-8987

EDUCATION

2013	Ph.D.	Health Education Texas A&M University, College Station, Texas College of Education and Human Development Department of Health and Kinesiology
2004	M.A.	Health Education Sam Houston State University, Huntsville, Texas College of Education Department of Health and Kinesiology
2001	B.S.	Health Education (Minor in English) Sam Houston State University, Huntsville, Texas College of Education Department of Health and Kinesiology

ACADEMIC EXPERIENCE

2015- Present	Assistant Professor	<i>Department of Health & Kinesiology Division of Health Texas A&M University College Station, Texas</i>
2013-2015	Clinical Assistant Professor	<i>Department of Health & Kinesiology Division of Health Texas A&M University College Station, Texas</i>
2012 – 2013	Instructional Associate Professor	<i>Department of Health & Kinesiology Physical Education Activity Program Texas A&M University College Station, Texas</i>
2004-2012	Instructional Assistant Professor	<i>Department of Health & Kinesiology Physical Education Activity Program Texas A&M University College Station, Texas</i>

2013- Present	Faculty Research Affiliate	<i>Transdisciplinary Center for Health Equity Research Texas A&M University College Station, Texas</i>
2012-2013	Research Associate	<i>Transdisciplinary Center for Health Equity Research Texas A&M University College Station, Texas</i>
2009 – 2012	Research Associate	<i>Center for the Study of Health Disparities Texas A&M University College Station, Texas</i>

PROFESSIONAL EXPERIENCE

2002-2003	Assistant Program Coordinator	<i>Texas Department of Criminal Justice Wellness Initiative Now (W.I.N.) Program Huntsville, Texas</i>
2003-2004	Graduate Teaching Assistant	<i>Sam Houston State University Department of Health and Kinesiology</i>
2001-2002	Substitute (K-12) School Teacher	<i>Huntsville Independent School District</i>

RESEARCH INTERESTS

- Type 2 diabetes self-management among ethnic minority men.
- Utilization of technology for chronic illness management among men.
- Health education and wellness promotion.

PEER REVIEWED RESEARCH MANUSCRIPTS

Note: Names in *Italics* designate graduate student status at the time of submission.

Publications with (***) at the end denotes a change in impact factor.

- **28 manuscripts published**
 - 19 publications are either first authored, solo authored, or second author.
 - 7 publications include student authors.
- **6 currently under review**

EXTERNAL GRANTS AWARDED

Co-Investigator. 2020. *The Study of Type-2 Diabetes and the Rural Experience Regarding Self-Management Behaviors and Stress Project*. (R21 Grant Proposal) PI: Shevon Harvey, DrPH, MPH. Funding Source: Department of Health and Human Services-National Institutes of Health-National Institute of Diabetes and Digestive and Kidney Disorders. **Funding Amount: \$275,000**

Consultant. 2020 *Engaging Black Men in Digital Health to Improve Self-Management of Type 2 Diabetes: An Iterative Participatory Approach*. Grant #: 1 F31 NR019213-01; PI: Anna Diane, PhD(c). Funding Source: National Institutes of Health: National Research Service Award. Award Notification Date: June 1, 2020. **Funding Amount: \$77,098**

Principal Investigator. 2017 NIH NCI Supplement. *Physical Activity Impacts of a Planned Activity-Friendly Community: The What, Where, When, and Why of Environmental Approaches to Obesity Prevention*. Proposal ID: 1701551; Parent Grant No: 1R01CA197761 Parent Grant PI: Marcia G. Ory, Ph.D., School of Public Health, Texas A&M University. Funding Source: National Institute of Health:

National Cancer Institute. Award Notification Date: September 21, 2017. **Funding Amount: \$297,939**

INTERNAL GRANTS AWARDED

Principal Investigator. Submitted September 14, 2020. *Change in Technology Use Following COVID-19 among Black Men with Chronic Illness.* Funding Source: Precise Advanced Technologies and Health Systems for Underserved Populations Engineering Research Center (PATHS-UP ERC) Innovation Seed Fund. Award Notification Date: October 14, 2020. Texas A&M University. **Funding Amount: \$25,000.**

Principal Investigator. 2018. Texas A&M University T3: Triads for Transformation. *At the Intersection of Health and Place: Barriers and Facilitators of Health Service Utilization among Men with Chronic Conditions.* Co PI's: Matthew Smith, Ph.D., Kirby Goidel, Ph.D. Funding Source: TAMU President's Excellence Fund. Award Notification Date: March 6, 2018. **Funding Amount: \$30,000**

Co-Investigator. 2017. *Promoting Reading Comprehension and Learning with Multimodal Science Texts (PRISMA)* Texas A&M University College of Education and Human Development Catapult Seed Grant. PI: Kay Wijekumar, Ph.D., Co PI's: Michael de Miranda, Ph.D., Julie Thompson, Ph.D., R. Malatesha Joshi, Ph.D. Funding Source: TAMU College of Education & Human Development. Award Notification Date: November 30, 2017. **Funding Amount: \$30,000**

Subject Matter Expert. 2016. *Texas A&M University, Offshore Training Program Review.* Funding Source: Bureau of Safety and Environmental Enforcement's (BSEE) Offshore Training Program for \$485,000. PI: Sam Mannan, PE, CSP, DHC., Co PI: Whitney Garney, Ph.D. Award Notification Date: August 16, 2016. **Funding Amount: \$5,000**

Co-Principal Investigator. 2015. *Physical Activity within Shelters: PAWS for Reading.* PI: Meagan Shipley, PhD., Co-Principal Investigator Beth McNeill, Ph.D. Funding Source: Sydney and J.L. Huffines Institute for Sports Medicine and Human Performance Faculty Applied/Practitioner Grant. Award Notification Date: September 9, 2015. **Funding Amount: \$2,500**

GRANT PROPOSALS UNDER REVIEW

N/A

UNFUNDED GRANT PROPOSAL EFFORTS

Principal Investigator. Submitted June 1, 2020. *A Qualitative Investigation of Managing Type 2 Diabetes During the COVID-19 Pandemic.* Funding Amount: \$5,000. Funding Source: The Social Science Research Council Rapid-Response Grants on COVID-19 and the Social Sciences.

Co-Principal Investigator. Submitted May 20, 2020. *Ready Next: A Replication Project Approach to Implement Teen Pregnancy Prevention Programs.* PI: Kelly Wilson, PhD. Funding Amount: \$2,197,657.00; Funding Source: United States Department of Health & Human Services-Office of the Assistant Secretary for Health.

Co-Principal Investigator. Submitted May 18, 2020. *Juntos Podemos 2: Changing the Map of Teen Pregnancy in South Texas*. PI: Kelly Wilson, PhD. Funding Amount: \$2,507,295.00; Funding Source: United States Department of Health & Human Services-Office of the Assistant Secretary for Health.

Co-Principal Investigator. Submitted 2019 (unscored); Resubmitted March 17, 2020. *Better Care for Black Men: Using mHealth to Co-Produce Better Communication Strategies for Black Men with Type 2 Diabetes*. (R21 Grant Proposal). PI: Stuart Grande, PhD., MPA. Funding Amount: \$275,000; Funding Source: National Institutes of Health.

Co-Principal Investigator. 2019. *Better Care for Black Men: Using mHealth to Co-Produce Better Communication Strategies for Black Men with Type 2 Diabetes*. (R21 Grant Proposal) Funding Amount: \$275,000; Funding Source: National Institutes of Health.

Principal Investigator. 2019. *Identifying psychological and social factors predictive of self-management plan adherence among older African American males living with type 2 diabetes*. (R03 Grant Proposal) Funding Amount: \$50,000; Funding Source: National Institutes of Aging.

Co-Investigator. 2018. *Health Promotion Among Racial and Ethnic Minority Males* (R21 Grant Proposal) Funding Amount: \$275,000; Funding Source: National Institutes of Health.

Principal Investigator. 2017. *Examining the Impact of the Built Environment on Physical Activity and Obesity in African American Communities and Potential Moderators and Mediators*. (Foundation Grant) Funding Amount: \$50,000; Funding Source: Robert Wood Johnson Foundation.

Principal Investigator. 2017. *Using PhotoVoice to Identify Sources of Social Support Diabetes Management among African American Men*. (University/Center Grant) Funding Amount: \$20,000; Funding Sources: University of Michigan Center for Urban African American Aging Research & Wayne State University Institute on Gerontology.

Principal Investigator. 2015 & 2016. *Sexual Dysfunction Among Black Men Living with Diabetes*. (University Grant) Funding Amount: \$18,000; Funding Source: PESCA Grant Program, Division of Research, Texas A&M University.

ACADEMIC HONORS AND AWARDS

2022 **Recipient**, Scholars Network on Masculinity and the Well-Being of African American Men; University of Michigan, Ann Arbor, Michigan.

- Invited weekend conference and mentoring program consisting of scholars in the humanities, social sciences, and professional fields who produce and promote research on Black males that is intended to inform scholarly communities as well as the broader public. The program involved plenary sessions, panels, and breakout discussions centered on advancing research on Black males through the 21st century and supporting emerging scholars in their effort to do so.

National Heart, Lung, and Blood Institute/National Institutes of Health (NHLBI/NIH)

2016 **Recipient**, Summer Institute on Advanced Health Disparities; Programs to Increase Diversity Among Individuals Engaged in Health Related-Research; University of Arizona, Tucson, Arizona.

- Training and mentoring program to provide junior investigators, whose backgrounds are currently under-represented in biomedical research, with opportunities to gain the knowledge and tools they need to carry out independent and meaningful research and advance their careers.
- **American Academy of Health Behavior (AAHB)**

2016 **Recipient**, American Academy of Health Behavior (AAHB) Research Scholar's Mentoring Program.

- Twelve month mentoring program to help junior investigators develops skills and gain experience in research-related activities.

Texas A&M University

2009 Texas A&M University, **Emil Mamaliga Outstanding Teaching Award** - 2008-2009 academic year.

- Award to recognize outstanding teaching from over fifty-five faculty in the Physical Education Activity Program.

Sam Houston State University

2000 Sam Houston State University, **"Across the University Writing Program Award"**

- Award to recognize outstanding collaborative writing between a study and faculty member.

TEACHING

Texas A&M University- Division of Health

Graduate Courses Taught

- HLTH 630 Health Program Planning Fall 2016-present
 - This graduate course provides students with the fundamental of program planning, including educational, theoretical and pedagogical factors for consideration, various

techniques of program planning and delivery, understanding of health program models, theories and frameworks.

- HLTH 642 Health Education Ethics Summer 2022
 - This graduate course focuses on basic concepts in ethics as they apply to the practice of health education; ethical dilemmas faced by health educators; an articulated ethics framework to increased fairness and justice in health education practice, as well as to reduce unjust disparities.
- HLTH 646 Health Education Training Summer 2015
 - This graduate course focuses on designing, implementing, and evaluating workforce training for professional health educators, with an emphasis on evidence-based workforce training.

Undergraduate Courses Taught

- HLTH 231 Health Lifestyles Fall 2014
 - This undergraduate course focuses on health issues relevant to students, which include but is not limited to mental health, use and abuse of drugs, human sexuality, communicable diseases, environmental and consumer health.
- HLTH 236 Intro to Health Disparities and Diversity Summer 2020; Fall 2021-present
 - This undergraduate course explores in-depth the racial, ethnic, and cultural dimensions that underlie health and health disparities; emphasis on culture, social economic status and governmental policies as they influence the adaptation of health practices.
- HLTH 429 Environmental Health Fall 2013-Spring 2015
 - This undergraduate course covers health aspects of both the natural and built environments; health problems related to water, air and noise pollution; pesticides; population and radiation; examination of various micro-environments which either promote or hinder human health and well-being and their implications for community planning and utilization of human resources.
- HLTH 440 Contemporary Issues for Community Health Interns Fall 2013-present
 - This is a preparatory undergraduate course for advanced students in the Community Health Internship program to build professional skills associated with the health profession.
- HLTH 482 Grant Writing in Health Education Fall 2013-Spring 2014
 - This writing intensive undergraduate course focuses on grant writing in the field of health education and health promotion; grant application written by student on a health-related topic using a recursive writing process.

Texas A&M University- Physical Education Activity Program (PEAP) 2004-2014

- KINE 198 Health and Fitness Lecture (Lecture class covering varying health topics)
 - Personal Health and Fitness
 - Dimensions of Wellness
 - Stress and Psychological Health
 - Nutrition
 - Drugs and Alcohol
 - Lifestyle Choices and Hypokinetic Conditions
 - Safety Awareness
 - Communicable and Non-Communicable Diseases
 - Relationships
 - Sexually Transmitted Infections

- Alternative and Complementary Medicine
- KINE 198 (W) Health and Fitness Lecture Writing Intensive Course – working with students who are majors in Kinesiology and Sport Management to create and enhance their writing skills within the respected disciplines. (W) Indicates that this was a writing intensive course.
- KINE 199 Physical Activities Courses Taught:
 - Archery
 - Badminton
 - Fitness and Conditioning
 - Running
 - Strength Training
