WORK EXPERIENCE

Academic Experience

Texas A&M University, Instructional Assistant Professor (August 2018 - present)

- Teach graduate and undergraduate courses
- Contribute to the service and teaching activities focusing on advancing the school's graduate and undergraduate curricula in the Department of Health Promotion and Community Health Sciences
- Participate in scholarly activities and service both internal and external to the university
- Mentored students enrolled in the MPH practicum experience
- Advised students enrolled in the MPH and dual degree programs
- Coordinated practicums for students enrolled in the MPH program

Texas A&M University, Graduate Research Assistant: Dr. Spengler (June 2016 – May 2018)

- Provided support and served as a teaching assistant for department level courses
- Served as an independent researcher for the Department of Health Promotion and Community Health Sciences, and served as a mentor for a Master's and two Bachelor's team members.
- Created and conducted a survey on shared use and access to physical activity, and shared results with community members and community partners

Texas A&M University, Graduate Research Assistant: Dr. Sharkey (Aug 2015 – May 2016)

- Served as an independent researcher for the Program for Research and Outreach-Engagement on Nutrition and Health Disparities Solutions, and serve as a mentor for Master's and Bachelor's team members.
- Participated in children focus groups and conducted follow up in depth interviews on physical activity

University of Hawaii-Manoa, Graduate Research Assistant: Dr. Maddock (Aug 2014 – Aug 2015)

- Assisted in evaluations for the Healthy Hawaii Initiative Evaluation Team and state level departments
- Performed literature reviews for the creation of valid and reliable evaluation measures
- Assisted in the data collection, analysis, and report writing for evaluation studies

University of Miami, Graduate Research Assistant: Dr. Stoutenberg (Sept 2012 – Mar 2014)

- Prescreened, recruited, and ran baseline assessments for a DVD based breast cancer survivor strength training intervention program using physician-based referrals
- Conducted and analyzed physical activity assessments, including accelerometer
- Designed, implemented, and evaluated a community-based active living and healthy eating program using physician and faith-based participant recruitment

Non-Academic Experience

World Fit Challenge, Texas A&M World Fit Coordinator (Dec 2015 – Present)

SELINA STASI, DrPH, MPH

TEXAS A&M UNIVERSITY

- Facilitated a 6 week fitness challenge at the School of Public Health, TAMU which included a kickoff event with guest Olympians and Corps of Cadets Commandant and weekly walks
- Engaged with local school district and helped secure two local high schools to participate

American College of Sports Medicine, *Exercise is Medicine (EIM) Global Intern* (May 2013 – Sept 2013)

- Provided administrative support for the EIM Program Officers
- Served as a liaison to Regional Centers assisting them complete their annual progress reports and establish new goals for upcoming year
- Assisted EIM Program Officers with the expansion of the EIM initiative to new countries
- Assisted in the creation of a Manual of Operations for developing contact with new countries

FOGO Wellness Program, *Team Leader* (Sept 2012 – May 2013)

- Facilitated a small group in their adherence to a 16-week lifestyle modification program focusing on healthy eating and exercise
- Gathered data on existing nutrition and physical activity assessments for implementation into the program
- Recruited physicians, churches, and local media sources for the promotion of the program
- Assisted program director in participant recruitment, retention, data input and analysis, and organizing weekly program activities

Fitness Improvement Training Through Exercise and Diet, *Founder and Director* (May 2010 – June 2012)

- Founded a multi-departmental initiative at UCLA to decrease health disparities for undergraduate students
- Created and managed the 9-week lifestyle modification program for 60 people at one time, including the group exercise sessions, nutrition classes led by a registered Dietician, and community led workshops
- Developed a collaborative funding model with other UCLA departments and Student Affairs to train staff as certified Personal Trainers through the National Strength and Conditioning Association (NSCA)
- Created and implemented a comprehensive staff training curriculum that focused on social, cultural, political, and public health concepts to create healthy role models for behavior change at UCLA and the community abroad

Bruins Movin', *Program Founder* (May 2010 – June 2012)

- Created an active living program for two Title 1 Elementary Schools in Los Angeles called Bruins Movin'
- Program allowed UCLA faculty and students to engage in community service work through the promotion of fitness in youth and adolescents
- Partnered with several UCLA departments, administrators, and the local elementary school administration in implementing and funding this program

Student Initiated Access Committee, *Vice Chairperson and Outreach Coordinator* (July 2010 – July 2011)

- Served as a representative for Pacific Islanders on this University Funding Committee which allocated about one million dollars towards 7 access/outreach projects that serviced the greater Los Angeles
- Supervised a UCLA outreach project including hiring of a full-time staff member and several student staff
- Planned and organized an advisory board that consisted of a UCLA students and faculty, Pacific Islander community leaders, site contacts, parents and high school students
- Coordinated projects to enhance dialogue between community members and UCLA staff and students
- Drafted and submitted a proposal to fund and administer a UCLA accredited course focused on Service Work, Social Theory and Praxis
- Contributed to the planning and execution of trainings for a total of 12 full time PDs and 40 student PDs

14. USA National Speed Skating Titles: 1998, 2004, 2005

SELINA STASI, DrPH, MPH
TEXAS A&M UNIVERSITY

SERVICE

Texas A&M University Nutrition Obesity Research Center (tNORC), *Co-Investigator* (May 2020-Present)

- Responsible for making decisions about development and the tNORC prioritization processes

Health Outdoor Communities (HOC), *Evaluation Lead* (June 2019-Present)

- Lead evaluator on a HOGG Foundation Communities of Care Grant
- Coordinate the planning, implementation, and final evaluation of the HOC Community initiative

SPH Health and Wellness Committee, *Faculty Representative* (August 2017-Present)

- Lead on World Fit Walk engagement activities
- Coordinated first year of the Stress Relief Week during finals with several community entities
- Assisted in the redevelopment planning of SPH Greenspace including grant writing

Active Living Conference, *Executive Program Committee* (May 2019-Present)

- Served on the Public Health focus area for the 2019 conference
- Assisted in the coordination of physical activities and networking events

SPH Diversity Committee, *Faculty Representative* (August 2018-May 2019)

- Coordinated STAND UP and GREEN Dot training for faculty and staff
- Participated in meetings and events
- Relayed information and policies to department

Rose Academies, *Advisory Board Member* (May 2013-Present)

- Reviewer for research materials including a presentation at Texas A&M for the Maternal and Child Health Seminar Series and a poster presentation at Baylor Scott & White for the IPER Summit
- Serve as an advisor for the President for all internal affairs and development

Native Hawaiian Youth Health and Fitness Day, *Health Coordinator* (Nov 2010-June 2012)

- Collaborated with over 30 Pacific Islander community leaders and President Obama's White House Initiative on Asian Americans and Pacific Islanders (WHIAAPI) to organize a community health event for Pacific Islanders in California
- Oversaw the logistics and all aspects of the 1,800-person event including the health fair, fitness stations, opening ceremonies, and volunteers, and facilities management
- Outlined and planned the fitness portion which featured demonstrations of the different elements of exercise, including functional body movement, Instant Recess, football and rugby skills, HotHula, and a boot camp geared for Pacific Islanders

Pacific Islander Education and Retention, *Peer Advisor* (Sept 2008-June 2010)

- Provided academic and peer counseling to high school students at underserved schools in the greater Los Angeles area
- Managed a caseload of Pacific Islander students and their parents at three high schools and tracked quantitative and qualitative objectives in all PIER Events, including field trips, fundraisers, and conferences
- Attended and assisted in the planning of advisory board meetings, staff, project, and community trainings
- Outreached for and recruited volunteers and high school students to participate in program

Pacific Islands' Student Association, *Vice Chairwoman and Member* (Sept 2008-June 2012)

- Planned, organized, and collaborated with multiple student organizations to put on an annual 2-day Yield Event for over 1,000 underrepresented newly admitted students to UCLA
- Served as the main contact for linking community leaders in Los Angeles area and students at multiple higher education institutions
- Drafted and submitted funding proposals and attended hearings for fund allocations
- Organized Islanders Maintaining Unity and Access (IMUA), a 200-person higher education conference for high school students
