**RESEARCH INTERESTS**

---

HIV prevention, testing, and care behavior and healthcare utilization, with foci in rural LGBTQ populations, LGBTQ adolescents, and adolescents

Sexual health behavior and healthcare utilization, with foci in rural LGBTQ populations, LGBTQ adolescents, adolescents, college students, and young adults

HIV and sexual health implementation science

Mixed method research

Applied health behavior theory research

**EDUCATIONAL BACKGROUND**

---

**Postdoctoral Scholar**, Institute for Sexual and Gender Minority Health and Wellbeing 2020 – 2021

**Doctor of Philosophy in Health Behavior**, Indiana University 2020  
Minor: Inquiry Methodology

**Master of Public Health in Behavioral, Social, and Community Health**, Indiana University 2017

**Bachelor of Arts in Sociology and Communication**, Marian University 2013  
Minor: Peace & Justice

**PROFESSIONAL APPOINTMENTS**

---

**Texas A&M University**, College Station, TX  
Assistant Professor, Department of Health Behavior, School of Public Health 2021 – Pres

**Northwestern University Feinberg School of Medicine**, Chicago, IL  
Postdoctoral Scholar, Institute for Sexual and Gender Minority Health and Wellbeing 2020 – 2021

**Indiana University**, Bloomington, IN  
Research Coordinator, Center for Sexual Health Promotion 2015 – 2020  
Focus Group Coordinator, College of Arts & Sciences 2017 – 2018  
Intern, Rural Center for AIDS/STD Prevention 2017  
Evaluation & Survey Associate, LGBTQ Culture Center 2015 – 2016  
Evaluation Project Associate, Center for Evaluation and Education Policy 2013 – 2016

## **FUNDING AWARDED**

---

**Title: The Perspectives of HIV Linkage to Care Protocols for Online HIV Prevention Trials among Rural Young Men Who Have Sex with Men**

Funder: HIV and Drug Abuse Prevention Research Ethics Training Institute; R25DA031608

Funding Period: 10/01/2022 – 03/31/2024

Role: PI

Total Funds: \$32,000

*Description: To examine the perceived risks, benefits, and preferences of rural YMSM participating in a hypothetical online PrEP app.*

**Title: Implementation Determinants of HIV PrEP: Research Seedling Grant**

Funder: Texas A&M University Health Science Center

Funding Period: 06/01/2022 – 05/31/2024

Role: PI

Total Funds Awarded: \$70,000

*Description: Identify the implementation determinants associated with rural and urban primary care providers prescribing HIV PrEP to sexually active adolescents.*

**Title: Department of Health and Kinesiology Climate and Diversity Peer Collaboration Grant**

Funder: Texas A&M University Department of Health and Kinesiology Climate and Diversity Committee

Funding Period: 06/01/2022 – 08/01/2022

Role: Co-PI

Total Funds: \$500

*Description: A professional development grant to encourage the research and/or career development collaboration of two Department of Health and Kinesiology faculty members.*

**Title: Adaptation of a Social Marketing Campaign to Promote PrEP Awareness among Adolescents in Cook County**

Funder: Third Coast CFAR; P30AI117943

Funding Period: 08/01/2020 – 10/31/2021

Role: Co-I (PI: Macapagal)

Amount: \$230,978

*Description: To examine Chicago stakeholders and SGM adolescent perspectives on adolescent-focused PrEP social marketing campaigns, and to test the acceptability, appropriateness, and feasibility of drafted campaign materials.*

**Title: SPH-B 350: Seminar in Public Health Education: LGBTQ+ Health and Disparities**

Funding Agency: Indiana University Center for Innovative Teaching and Learning; Jesse Fine Program

Funding Period: 06/01/2019 – 12/01/2019

Role: PI

Amount: \$2,500

*Description: To develop a seminar class on LGBTQ health and disparities for Fall 2019.*

**Title: Structural Stigma and HIV Prevention**

Funding Agency: NIMH; R01MH112384

Funding Period: 07/01/2017 – 6/30/2022

Role: Co-I (PIs: Dodge and Hatzenbuehler)

Amount: \$474,614

*Description: To evaluate the structural determinants of HIV prevention outcomes among a nationally representative cohort of gay and bisexual men, and to provide essential information that can be used to inform the development of effective HIV prevention strategies that address the social conditions affecting the general population of gay and bisexual men.*

**Title: IU-Prism Capacity Building Evaluation for Sexual and Gender Minority Health Equity in South Central Indiana**

Funder: Indiana University School of Public Health-Bloomington

Funding Period: 07/01/2016 – 10/30/2017

Role: Co-I (PIs: Dodge and Herbenick)

Amount: \$15,000

*Description: To evaluate how Prism programming influences the mental health outcomes of sexual and gender minority adolescents who participate in the Prism Youth Community.*

---

#### **FUNDING SUBMITTED AND AWAITING REVIEW**

##### **Rural MSM HIV Prevention and Testing MHealth App Preferences and Acceptability**

Funder: NIH Extramural Loan Repayment Program for Health Disparities Research; NOT-OD-23-144

Funding Period: XXX

Amount: XXX

Role: PI

*Description: An educational loan replacement program for faculty who conduct health disparities research. Identifying rural Southern MSM's preferences for HIV prevention and testing mhealth app features and functions, barriers to using the app, and demographic, behavioral, and app-related attitude correlates association with willingness to use a hypothetical HIV prevention and testing mhealth app.*

##### **Examination of Suicidal Thoughts and Behaviors among Rural Black Youth**

Funder: NIMH; RFA-MH-22-141

Funding Period: 04/01/2024 – 03/31/2026

Amount: \$419,375

Role: Co-I (PI: Gilreath)

*Description: Examining the prevalence and determinants of suicidal thoughts and behaviors among rural Black adolescents and young adults in Texas.*

##### **CAREER: Stress, Resilience, and Persistence Factors that Impact Success of LGBTQ Undergraduate Students in STEM**

Funder: NSF CAREER; NSF 22-586

Funding Period: 09/01/2023 – 08/31/2028

Role: PI

Amount: \$467,186

*Description: To longitudinally investigate the distal stressors, proximal stressors, and resiliency factors encountered by LGBTQ undergraduate STEM students.*

---

#### **FUNDING NOT AWARDED**

##### **Implementation Science of Rural Southern Primary Care Providers Taking a Sexual History**

Funder: Gilead, Research Scholars Program in HIV

Funding Period: 02/15/2024 – 02/14/2026

Role: PI

Amount: \$138,601

*Description: Compare rural/urban differences in implementation determinants and implementation strategy preferences of taking a sexual history of YMSM between rural and urban PCPs practicing in the Southern region of the US.*

Score: xxx

##### **CAREER: A Longitudinal Study of Minority Stress Encountered by LGBTQ Undergraduate STEM Students**

Funder: NSF CAREER; NSF 22-586

Funding Period: 09/01/2023 – 08/31/2028

Role: PI

Amount: \$491,788

*Description: To longitudinally investigate the distal stressors, proximal stressors, and resiliency factors encountered by LGBTQ undergraduate STEM students.*

Score: Competitive But Not Funded (Reviewer #1 Rating: Good; Reviewer #2 Rating: Very Good;

Reviewer #3 Rating: Fair; Reviewer #4 Rating: Good)

### Rural Health Equity and Advancement Capacity Building

Funder: Gilead; Rural Health Equity and Advancement Capacity Building

Funding Period: 01/01/2023 – 12/31/2025

Role: Co-PI (Co-PI: Hubach)

Amount: \$36,617

Description: Provide capacity building to rural organizations regarding HIV prevention and care services.

### Emerging Strategies to Improve Health Outcomes for People Aging with HIV

Funder: HRSA; HRSA-22-029

Funding Period: 08/01/2022 – 07/31/2025

Role: Co-PI (Co-PI: Chaudhuri)

Amount: \$2,127,923

Description: Implement and assess emerging implementation strategies used to screen and manage comorbidities, genetic conditions, behavioral health, and psychosocial needs of people 50 years and older with HIV.

Score: 96/100 (only 1 awardee)

## STUDENT MENTORING AND ADVISING

### Undergraduate

Tae Woo, BS in Biochemistry, Texas A&M University Stimulating Training and Access to HIV Research Experiences (STAR) mentee	2023
James Lifton, BA in Political Science, Texas A&M University Honor's thesis co-chair	2022 – 2023
Dakota (Kody) Brandenburg, BS in Public Health, Oklahoma State University Research assistant	2021 – 2022

### Masters

Jake Stukenberg, MPH in Health Behavior, Texas A&M University Research assistant & advisor	2022 – 2023
Garrett Price, MPH in Biostatistics, Purdue University Research assistant	2022 – 2023

### Doctoral

Ssu-Yu Yeh, DrPH in environmental Health, Texas A&M University Committee member	2023 – Pres
Christina Amo, PhD in Health Education, Texas A&M University Committee member	2023 – Pres
Dakota (Kody) Brandenburg, PhD in Health Behavior, Indiana University Research assistant	2023 – Pres
Corey Tatz, PhD in Gender Studies, Indiana University Research assistant	2023 – Pres
Sarah Sanchez, DrPH in Health Behavior, Texas A&M University Committee chair	2022 – Pres

G Lopez, DrPH in Health Behavior, Texas A&M University  
Committee chair 2022 – Pres

Morgan J. Grant, PhD in Health Education, Texas A&M University  
Research assistant & committee member 2021 – Pres

Kaileigh Carter (Roan), PhD in Health Education, Texas A&M University  
Research assistant & committee member 2021 – Pres

## TEACHING APPOINTMENTS

### Undergraduate Courses

Course	Sections Taught	Average Enrollment	University
HLTH 425 Health Program Evaluation	5	26	Texas A&M University
SPH-H 263 Personal Health	4	54	Indiana University
SPH-H 263 Personal Health (Online Asynchronous)	1	26	Indiana University
SPH-B 350: Topical Seminar in Public Health Education: LGBTQ+ Health & Disparities	1	7	Indiana University

### Graduate Courses

Course	Sections Taught	Average Enrollment	University
HLTH 639: Behavioral Foundations of Health Education	2	12	Texas A&M University
HLTH 685: Directed Studies	1	1	Texas A&M University
SPH-X 601: Assessment and Planning (Co-Instructor)	1	26	Indiana University
SPH-X 601: Assessment and Planning (Online Asynchronous) (Co-Instructor)	1	18	Indiana University
SPH-B 630: Sexual and Reproductive Health Surveillance (Hybrid, Online Synchronous) (Co-Instructor)	2	6	Indiana University
SPH-B 701: Advanced Health Behavior Theory (Online Synchronous) (Co-Instructor)	1	9	Indiana University

## AWARDS AND HONORS

**Fellow**, HIV/Drug Abuse Research Ethics Training Institute, Fordham University 2022 – 2024  
▪ *A fellowship program in the empirical ethics research in HIV and/or drug abuse research hosted by the Fordham University's HIV/Drug Abuse Research Ethics Training Institute.*

**Participant**, R01 Boot Camp, Texas A&M University 2022  
▪ *A mentorship program to support and increase the success rate of first-time R01 applicants, with the R01 proposal to design and evaluate the efficacy of a parent-targeted, online PrEP intervention informed by the Information-Motivation-Behavioral Skills Model.*

**Fellow**, Inter-CFAR Fellowship Program in Implementation Science, John Hopkins CFAR 2021 – 2022  
▪ *A fellowship program in HIV implementation science for early-stage investigators hosted by the John Hopkins CFAR.*

- Indiana University 3 Minute Thesis (3MT) Winner**, Indiana University 2020
- Joyce F. Arthur Fellowship in Applied Health Science**, Indiana University 2019
- *Awarded to students pursuing a doctorate in Health Behavior with preference given to those who participate in a national professional organization related to public health, health education, and/or health behavior and those who have completed volunteer work.*
- Namaste Health Behavior Doctoral Fellowship**, Indiana University 2019
- *Awarded to students pursuing a doctorate in Health Behavior with preference given to students working on their dissertation.*
- Applied Health Science Fellowship**, Indiana University 2018
- Ryan White Legacy Fellowship**, Indiana University 2017
- *Awarded to students pursuing an MPH with preference given to students studying AIDS/STD prevention and/or sexual education. The donors of this fellowship wish to honor the legacy of Ryan White, the rural Indiana youth who contracted HIV at age 13 from tainted blood products given for his hemophilia. Ryan became the national poster child for HIV/AIDS in the United States after being expelled from school because of his illness.*
- LGBTQ+ Culture Center Spirit Award**, Indiana University 2017
- *In recognition of outstanding achievement to the LGBTQ+ community of Indiana University.*
