RESEARCH INTERESTS

- Sexual health behaviors and healthcare utilization among LGBTQ adolescents and young adults, focus on rural areas
- Mental health behaviors and healthcare utilization (substance misuse, depression, minority stress) among LGBTQ adolescents and young adults, focus on rural areas
- Sexual and mental health implementation science and healthcare delivery among healthcare professionals, focus on rural areas and adolescent-serving professionals
- Parental perspective of parent-LGBTQ adolescent health communication and engagement in healthcare services
- Mixed method research
- Applied health behavior theory research

EDUCATIONAL BACKGROUND

2020-2021	Postdoctoral Fellow Institute for Sexual and Gender Minority Health and Wellbeing Northwestern University Feinberg School of Medicine Chicago, IL
2020	Doctor of Philosophy in Health Behavior; Minor in Inquiry Methodology School of Public Health Indiana University Bloomington, IN
2017	Master of Public Health in Behavioral, Social, and Community Health School of Public Health Indiana University Bloomington, IN
2013	Bachelor of Arts in Sociology and Communication; Minor in Peace and Justice College of Arts Marian University Indianapolis, IN

PROFESSIONAL APPOINTMENTS

2021-Pres	Assistant Professor (Tenure Track) Department of Health Behavior School of Public Health Texas A&M University College Station, TX
-----------	--

2020-2021	Postdoctoral Fellow Institute for Sexual and Gender Minority Health and Wellbeing Institute for Sexual and Gender Minority Health and Wellbeing Northwestern University Feinberg School of Medicine Chicago, IL
2015-2020	Research Coordinator Center for Sexual Health Promotion School of Public Health Indiana University Bloomington, IN
2017-2018	Focus Group Coordinator Executive Dean's Office College of Arts and Sciences Indiana University Bloomington, IN
2017-2017	Intern Rural Center for AIDS/STD Prevention School of Public Health Indiana University Bloomington, IN
2015-2016	Evaluation and Survey Associate LGBTQ Culture Center Indiana University Bloomington, IN
2013-2016	Evaluation Project Associate Center for Evaluation and Education Policy School of Education Indiana University Bloomington, IN

FUNDING AWARDED

Title: CAREER: Stress, Resilience, and Persistence Factors that Impact Success of LGBTQ Undergraduate Students in STEM

Mechanism: Faculty Early Career Development Program (CAREER)

Funder: NSF; NSF 22-586

Award #: 2335901

Funding Period: 09/01/2024-08/31/2029

Role: PI

Amount: \$467,186

Description: To longitudinally investigate the distal stressors, proximal stressors, and resiliency factors encountered by LGBTQ undergraduate STEM students.

Score: Competitive (Reviewer #1 Rating: Good; Reviewer #2 Ranking: Good; Reviewer #3 Ranking: Good)

Title: The Perspectives of HIV Linkage to Care Protocols for Online HIV Prevention Trials among Rural Young Men Who Have Sex with Men

Mechanism: R34

Funder: HIV and Drug Abuse Prevention Research Ethics Training Institute; PAR-19-258

Award #: R25DA031608

Funding Period: 09/01/2022-08/31/2023

Role: Project PI; R25 PI: Fisher

Total Funds: \$32,000

Description: To examine the perceived risks, benefits, and preferences of rural YMSM participating in a hypothetical online PrEP app.

Title: Implementation Determinants of HIV PrEP: Research Seedling Grant

Mechanism: N/A

Funder: Texas A&M University Health Science Center

Award #: N/A

Funding Period: 06/01/2022-08/31/2024

Role: PI

Total Funds Awarded: \$70,000

Description: Identify the implementation determinants associated with rural and urban primary care providers prescribing HIV PrEP to sexually active adolescents.

Title: Department of Health and Kinesiology Climate and Diversity Peer Collaboration Grant

Mechanism: N/A

Funder: Texas A&M University Department of Health and Kinesiology Climate and Diversity Committee

Award #: N/A

Funding Period: 06/01/2022-08/01/2022

Role: Co-PI

Total Funds: \$500

Description: A professional development grant to encourage the research and/or career development collaboration of two Department of Health and Kinesiology faculty members.

Title: Adaptation of a Social Marketing Campaign to Promote PrEP Awareness among Adolescents in Cook County

Mechanism: P30

Funder: Third Coast CFAR; PAR-17-237

Award #: P30AI117943

Funding Period: 08/01/2020-10/31/2021

Role: Co-I (PI: Macapagal)

Amount: \$230,978

Description: To examine Chicago stakeholders and SGM adolescent perspectives on adolescent-focused PrEP social marketing campaigns, and to test the acceptability, appropriateness, and feasibility of drafted campaign materials.

Title: SPH-B 350: Seminar in Public Health Education: LGBTQ+ Health and Disparities

Mechanism: N/A

Funding Agency: Indiana University Center for Innovative Teaching and Learning; Jesse Fine Program

Award #: N/A

Funding Period: 06/01/2019-12/01/2019

Role: PI

Amount: \$2,500

Description: To develop a seminar class on LGBTQ health and disparities for Fall 2019.

Title: Structural Stigma and HIV Prevention

Mechanism: R01

Funding Agency: NIMH; PA-14-133

Award #: R01MH112384

Funding Period: 07/01/2017-6/30/2022

Role: Co-I (MPI: Dodge & Hatzenbuehler)

Amount: \$474,614

Description: To evaluate the structural determinants of HIV prevention outcomes among a nationally representative cohort of gay and bisexual men, and to provide essential information that can be used to inform the development of effective HIV prevention strategies that address the social conditions affecting the general population of gay and bisexual men.

Title: IU-Prism Capacity Building Evaluation for Sexual and Gender Minority Health Equity in South Central Indiana

Funder: Indiana University School of Public Health-Bloomington

Award #: N/A

Funding Period: 07/01/2016-10/30/2017

Role: Co-I (MPI: Dodge & Herbenick)

Amount: \$15,000

Description: To evaluate how Prism programming influences the mental health outcomes of sexual and gender minority adolescents who participate in the Prism Youth Community.

FUNDING SUBMITTED AND AWAITING REVIEW

Title: Exploring the Impact of Axes of Influence and Geographical Context on Substance Use, Mental Health, and Help Seeking Behaviors

Mechanism: R01

Funder: NINR; RFA-NR-25-004

Funding Period: 12/01/2025-11/30/2029

Amount: 1,876,504

Role: Co-I (MPIs: Gilreath & Barry)

Description: To compare rural-urban differences in the association between age of onset and social determinants of health on substance use behaviors and help-seeking behaviors.

Title: Epidemiology and Determinants of Sexualized Drug Use among Rural Sexual Minority Men

Mechanism: R21

Funder: NIDA, PA-20-195

Funding Period: 07/01/2025-06/30/2027

Amount: \$410,924

Role: MPI (Contact PI: Owens, Co-PI: Montemayor)

Description: To examine the prevalence, determinants, and syndemic latent class profiles of sexualized drug use among a national cohort of rural sexual minority males.

Title: SMILE: Strengthening Multidisciplinary Interactions for Long-lasting Oral Health Enhancement

Mechanism: AHRQ Mentored Clinical Scientist Research Career Development Award (K08)

Funder: NIH; PA-22-232

Funding Period: 07/01/2024-06/30/2029

Amount: \$758,660

Role: Co-I (MPIs: Burch & Ankinlotan)

Description: Provide mentoring in mixed method research to conduct a mixed method study to investigate barriers and facilitators to interpersonal oral health collaboration.

FUNDING NOT AWARDED

Title: Implementation Determinants and Strategies for Substance Use Screenings in HIV/STI Testing Settings

Mechanism: R21

Funder: NIDA; PAR-22-109

Funding Period: 08/01/2025-07/31/2027

Amount: \$410,924

Role: MPI (Contact PI: Owens, Co-PI: Montemayor)

Description: To examine the implementation determinants and strategies of HIV/STI test counselors conducting sexualized drug use and substance use screenings.

Score: Not Discussed

Title: Implementation Determinants and Strategies for Rural PCPs Prescribing HIV PrEP

Mechanism: R21

Funder: NIMH, PAR-23-061

Funding Period: 12/01-2024-11/30/2026

Amount: \$446,330

Role: MPI (Contact PI: Owens, Co-PI: John)

Description: To identify implementation facilitators and barriers of rural primary care providers in the rural-burden EHE states prescribing HIV PrEP to YMSM, and to identify implementation strategies using a Delphi process.

Score: Not Discussed

Title: Implementation Science of Rural Southern Primary Care Providers Taking a Sexual History

Mechanism: N/A

Funder: Gilead, Research Scholars Program in HIV

Funding Period: 02/15/2024-02/14/2026

Role: PI

Amount: \$138,601

Description: Compare rural/urban differences in implementation determinants and implementation strategy preferences of taking a sexual history of YMSM between rural and urban PCPs practicing in the Southern region of the US.

Score: Not Discussed

Title: Examination of Suicidal Thoughts and Behaviors among Rural Black Youth

Mechanism: R21

Funder: NIMH; RFA-MH-22-141

Funding Period: 04/01/2024-03/31/2026

Amount: \$419,375

Role: Co-I (PI: Gilreath)

Description: Examining the prevalence and determinants of suicidal thoughts and behaviors among rural Black adolescents and young adults in Texas.

Score: Not Discussed

Title: CAREER: A Longitudinal Study of Minority Stress Encountered by LGBTQ Undergraduate STEM Students

Mechanism: Faculty Early Career Development Program (CAREER)

Funder: NSF; NSF 22-586

Funding Period: 09/01/2023-08/31/2028

Role: PI

Amount: \$491,788

Description: To longitudinally investigate the distal stressors, proximal stressors, and resiliency factors encountered by LGBTQ undergraduate STEM students.

Score: Competitive But Not Funded (Reviewer #1 Rating: Good; Reviewer #2 Rating: Very Good;

Reviewer #3 Rating: Fair; Reviewer #4 Rating: Good)

Title: Rural Health Equity and Advancement Capacity Building

Mechanism: N/A

Funder: Gilead; Rural Health Equity and Advancement Capacity Building

Funding Period: 01/01/2023 – 12/31/2025

Role: MPI (Contact PI: Hubach; Co-PI: Owens)

Amount: \$36,617

Description: Provide capacity building to rural organizations regarding HIV prevention and care services.

Score: Not Discussed

Title: Emerging Strategies to Improve Health Outcomes for People Aging with HIV

Mechanism: N/A

Funder: HRSA; HRSA-22-029

Funding Period: 08/01/2022 – 07/31/2025

Role: MPI (Contact PI: Chaudhuri; Co-PI: Owens)

Amount: \$2,127,923

Description: Implement and assess emerging implementation strategies used to screen and manage commodities, genetic conditions, behavioral health, and psychosocial needs of people 50 years and older with HIV.

Score: 96/100 (only 1 awardee)

AWARDS AND HONORS

2024-2026	NIH Extramural Loan Repayment Program for Health Disparities Research Awardee NIH Extramural Loan Repayment Program <i>The NIH Extramural Loan Repayment Program for Health Disparities Research (LRP-HDR, NOT-OD-23-144) is an educational loan replacement program for faculty who conduct health disparities research. 07/01/2024 – 06/30/2026. Identifying rural Southern MSM's preferences for HIV prevention and testing mhealth app features and functions, barriers to using the app, and demographic, behavioral, and app-related attitude correlates association with willingness to use a hypothetical HIV prevention and testing mhealth app</i>
2022-2024	HIV/Drug Abuse Research Ethics Fellow HIV/Drug Abuse Research Ethics Training Institute Fordham University <i>A fellowship program on empirical ethics research in HIV and/or drug abuse research hosted by the Fordham University's HIV/Drug Abuse Research Ethics Training Institute.</i>
2021-2022	HIV Implementation Science Fellow Inter-CFAR Implementation Science John Hopkins

A fellowship program in HIV implementation science for early-stage investigators hosted by the John Hopkins CFAR.

- 2020-2020 **3 Minute Thesis (3MT) Winner**
Indiana University 3 Minute Thesis
Indiana University
- 2019-2019 **Joyce F. Arthur Fellow**
School of Public Health
Indiana University
Awarded to students pursuing a doctorate in Health Behavior with preference given to those who participate in a national professional organization related to public health, health education, and/or health behavior and those who have completed volunteer work.
- 2019-2019 **Namaste Health Behavior Doctoral Fellow**
School of Public Health
Indiana University
Awarded to students pursuing a doctorate in Health Behavior with preference given to students working on their dissertation.
- 2018-2018 **Applied Health Science Fellow**
School of Public Health
Indiana University
- 2017-2017 **Ryan White Legacy Fellow**
School of Public Health
Indiana University
Awarded to students pursuing an MPH with preference given to students studying AIDS/STD prevention and/or sexual education. The donors of this fellowship wish to honor the legacy of Ryan White, the rural Indiana youth who contracted HIV at age 13 from tainted blood products given for his hemophilia. Ryan became the national poster child for HIV/AIDS in the United States after being expelled from school because of his illness.
- 2017-2017 **LGBTQ Culture Center Spirit Awardee**
LGBTQ Culture Center
Indiana University
In recognition of outstanding achievement to the LGBTQ+ community of Indiana University.

Underline presenting author

1. Montemayor, B. N., & **Owens, C.** (2015, April 7). Don't quit on us now: Researching substance use and sexual health among at-risk or minority populations in our current times. New York University. Virtual.
 - *Invited speaker to speak to fellows of the 5T32DA007233: Behavioral Sciences Training in Drug Abuse Research (PI: Llyod Goldsamt)*
2. **Owens, C.**, & Montemayor, B. (2024, October 27-30). Demographic, sexual behavioral, and psychosocial factors associated with sexualized drug use among rural sexual minority men in the South. 2024 American Public Health Association Annual Meeting. Minneapolis, MN.
3. **Owens, C.**, Buchanan, E., & Fisher, C. (2024, October 27-30). Perceived risks and benefits of telePrEP interventions: An interview study with rural sexual minority men in Texas. 2024 American Public Health Association Annual Meeting. Minneapolis, MN.
4. **O'Neil, A.**, Hubach, R. D., **Owens, C.**, Wash, J., Quinn, K., & John, S. (2024, October 27-30). Implementation determinants of HIV PrEP use among rural MSM in the US: A scoping review. 2024 American Public Health Association Annual Meeting. Minneapolis, MN.
5. **Owens, C.** (2024, February 13). HIV PrEP in rural areas. South Central AIDS Education and Training Center Program. Virtual.
 - *Invited speaker*
6. **Owens, C.**, *Gray, S., ***Carter, K., Hubach, R. D. (2023, November 12-15). Identifying facilitators, barriers, and implementation strategies about primary care providers prescribing HIV PrEP to adolescents in the United States. 2023 American Public Health Association Annual Meeting. Atlanta, GA.
7. Hubach, R. D., & **Owens, C.** (2023, November 12-15). Mpox media attitudes and preferences among sexual and gender minority people assigned male at birth in the United States: Lessons learned from sexual and reproductive health campaigns. 2023 American Public Health Association Annual Meeting. Atlanta, GA.
8. **Macapagal, K.**, Liem W. W., Leininger, J., Safi, H., Valadez-Tapia, S., ***Brooks, J., McKinnon E., **Owens, C.**, **Ma, J., Wongsomboon, V., Walter, N., Pickett, J. (2023, April 26-29). Engaging youth and developing multisector partnerships to implement and disseminate an LGBTQ teen-centered PrEP campaign. 2023 Society of Behavioral Medicine Annual Meeting. Phoenix, AZ.
9. **Owens, C.** (2023, April 5). The legal determinants of sexual and reproductive health. Texas A&M University School of Public Health. College Station, TX.
 - *Invited speaker for the National Public Health Week at Texas A&M University School of Public Health during the Reproductive and Sexual Health day.*
10. **Owens, C.** (2023, February 25). Mpox prevention and attitudes in the United States. 2023 Coast Bend Health Education General Medicine Conference. Corpus Christi, TX.
 - *Invited speaker.*
11. **Owens, C.** (2022, October 12). Engaging parents & healthcare providers in the HIV prevention of LGBTQ+ adolescents. Public Health Research Seminar Series. Purdue University. West Lafayette, IN.
 - *Invited speaker.*
12. **Owens, C.**, ***Grant, M. J., ***Roan, K., & Hubach, R. D. (2022, November 6-9). Examining the PrEP knowledge and attitudes of parents of LGBTQ adolescents living in the Southwest Central U.S. 2022 American Public Health Association Annual Meeting. Boston, MA.
13. **Owens, C.**, ***Roan, K., ***Tonne, R., & Hubach, R. D. (2022, July 28-30). The PrEP Parent Project: Examining the PrEP concerns and modality preferences of parents of LGBTQ teens. [Oral presentation]. 2022 National LGBTQ Health Conference. Chicago, IL.
14. **Ma, J.**, Valadez-Tapia, S., **Owens, C.**, Wongsomboon, V., Walter, N., Pickett, J., Brooks, J., & Macapagal, K. (2022, July 28-30). Attitudinal change in PrEP use associated with a teen-centered PrEP social marketing campaign among LGBTQ+ adolescents. 2022 National LGBTQ Health Conference. Chicago, IL.
15. **Owens, C. & Hubach, R. D.** (2022, June 8-11). Ending the HIV Epidemic in rural communities: A path forward. The Indiana University National HIV Conference. Indianapolis, IN.

16. Pickett, J., Valadez-Tapia, S., **Owens, C.**, **Ma, J., & Macapagal, K. (2021, December 3). PrEP4Teens: Empowering youth to create their own social PrEP marketing. [Virtual oral workshop]. 2021 United States Conference on HIV/AIDS. Virtual.
17. Pickett, J., Valadez-Tapia, S., **Ma, J., **Owens, C.**, McKinnon, E., Kraus, A., Walter, N., & Macapagal, K. (2021, September 29-30th). Using community perspectives to inform PrEP social marketing campaign concepts designed by and for LGBTQ+ adolescents in Chicago. 2021 Midwestern LGBTQ Health Symposium. Virtual.
18. **Owens, C.**, Dodge, B., Green, H. D. Jr, Herbenick, D., Hubach, R. D., Lester, J. N., **Struble, N., *Voorheis, E. (2020, October 24-28). Moving beyond viral suppression: An interpretative phenomenological analysis of the rural HIV care continuum. 2020 American Public Health Association Annual Meeting. Virtual
 - *Part of the Midwestern and Heartland U.S. Challenges to Ending the HIV Epidemic symposium.*
19. **Owens, C.** (2020, October 15). Nonurban sexual and gender minority health and wellbeing. Current Issues in LGBTQ Health Lecture Series. Institute for Sexual and Gender Minority Health and Wellbeing. Virtual.
20. **Owens, C.** (2019, October 8). Exploring the PrEP experiences among MSM living in rural counties in the Midwest. MSM Health Service Coalition. Indianapolis, IN.
 - *Invited speaker.*
21. **Owens, C.** (2020, August 21). Moving beyond HIV tests to assess the quality of life among rural people living with HIV. 2020 Public Health Ethics Forum. Virtual.
 - *Part of the Ethics Dilemmas in Rural Health.*
 - *Finalist to present at the Student Oral Poster Award Session.*
22. **Owens, C.** (2019, July 24). Exploring the PrEP experiences among rural MSM living in the Midwest. South Central HIV Continuum of Care Committee Meeting. Bloomington, IN.
 - *Invited speaker.*
23. **Owens, C.**, Bartelt, E., Dodge, B., Blauvelt, A., Lacy, P., Briery, S., Smith, R., Herbenick, D. (2017, November 9-12). Youth participatory evaluation methodology and process: Lessons learned from an evaluation of a LGBTQ+ youth initiative in Southern Indiana. 2017 Society for the Scientific Study of Sexuality Annual Meeting. Atlanta, GA.

Spring 2018-Spring 2020

Huber Scholarship Committee Member

School of Public Health
Indiana University
Available to either an undergraduate or graduate student enrolled in the School of Public Health on the Bloomington campus who has demonstrated financial need, has a minimum GPA of 2.5 on a 4.0 scale, and is enrolled in any online gerontology or public health program within the School. Preference will be given to a student athlete who is not receiving any other scholarship.

Spring 2018-Spring 2020

Ryan White Legacy Fellowship Committee Member

School of Public Health
Indiana University
Awarded to students pursuing an MPH with preference given to students studying AIDS/STD prevention and/or sexual education. The donors of this fellowship wish to honor the legacy of Ryan White, the rural Indiana youth who contracted HIV at age 13 from tainted blood products given for his hemophilia. Ryan became the national poster child for HIV/AIDS in the United States after being expelled from school because of his illness.
