

## F-1 Curricular Practical Training (CPT) Employer Form

**Purpose of Form:** This form must be completed by the employer who offers a position of employment to any F-1 student of Texas A&M University applying for CPT. Please complete this entire form and submit it either to the student or to the International Student Services (ISS) office at Texas A&M University. Our contact information is listed above.

**What is Curricular Practical Training (CPT)?** CPT is work authorization for F-1 international students to receive further training that is directly related to their degree level and major. CPT authorization is dependent upon the student being academically eligible and the employment meeting federal government regulations. F-1 students must apply for CPT if they intend to work off-campus as an integral part or planned option of their established curriculum prior to completion of their academic program whether or not they will receive any form of payment or compensation. ISS determines eligibility for and authorizes the CPT employment. A student authorized for CPT may only be employed by a specific employer, at a specific location and for specific dates as approved by ISS. Any changes in the employment (i.e. employer, location, dates of employment) require a new CPT application. Students may begin employment after receiving authorization that will be recorded on a new Form I-20. Students cannot begin working until authorized on page 2 of their I-20 by ISS and the start date on page 2 of their I-20 has arrived. Students must stop working by the end date of their authorization or upon changing or terminating their employment. Refer to the ISS CPT webpage for additional information and access to all CPT forms: <http://iss.tamu.edu/Current-Students/F-1-Status/Curricular-Practical-Training>.

**Deadline(s):** ISS authorization must be granted on a new Form I-20 before the student may begin CPT employment. ISS processing times are 5 to 10 business days from the time the student's application for CPT is complete.

**Required Steps Checklist:** In order for a student to submit a complete application for CPT, they must obtain the following documents from the employer:
